

FOREVER COUNTRY

Country roads, I will always love you, On the road again

Words & Music by John Denver, Taffy Nivert, Bill Danoff, Dolly Parton and Willie Nelson. Arr. Debbie Warren

A

Almost heaven, West Virginia, Blue Ridge Mountains, Shenandoah River

Life is old there, older than the trees, younger than the mountains, growin' like a breeze

B

Country roads, take me home, to the place, I belong

West Virginia, mountain mama, take me home, country roads

C

(If I) All my mem'ries, gather round her, Miner's lady, stranger to blue water

(I would) Dark and dusty, painted in the sky, misty taste of moonshine, teardrop in my eye

D

Country roads, take me home, to the place, I belong

West Virginia, mountain mama, take me home, country roads

E

(On the road again) like a band of gypsies we go down the highway

(We're the best of friends) insisting that the world keep turning our way, and our way

F

Country roads, take me home, to the place, I belong

West Virginia, mountain mama, take me home, country roads
